

Modelithics News

December 2008

Season Greetings from the Modelithics Team!

[Modelithics Library video on AWR's web site:](#)

Take a snapshot look at Modelithics CLR Library for AWR Microwave Office—On demand video clip.

In this short 5 minute video, Dr. Tom Weller demonstrates the power of the CLR™ Library of passive surface mount component models including treatment of substrate and pad effects as well as statistical analysis.

[Modelithics Scheduled Releases for Q1 2009](#)

As we continue to enhance our component model libraries, we are pleased to announce that new models will be available shortly for the CLR and NLT Libraries. Coming soon:

- CLR version 6.0
- NLT version 4.0
- NLD version 4.0
- SLC version 2.0

Check out the list of components available now <http://www.modelithics.com/products.asp> and while your at it, request a [FREE TRIAL](#)

[Agilent ADS 64 bit Users:](#)

We have discovered a compatibility issue for ADS 64 bit users and have new a new installer and design kit available. If you are using ADS 64 bit, please let us know and we will provide you with the update. Contact support@modelithics.com

***The entire team at Modelithics wishes
you and
yours a very Merry Christmas, a Happy
Holiday Season and a Prosperous New
Year!***
