News Release

Modelithics, Inc. Signs with Ultram for Israel Representation

Tampa, Florida —May 23, 2008

Modelithics, Inc. announces the appointment of international distributors, Ultram Technologies, LTD, as the corporation's exclusive representative covering Israel. Larry Dunleavy, Modelithics' CEO, and the Director of Ultram, Yossi Yuran, have signed a comprehensive agreement designed to fully support the Israeli market for RF and microwave simulation models and characterization services. Says Dunleavy, "Ultram came highly recommended, and we were very pleased to kickoff our relationship with several customer visits during and after the IEEE COMCAS conference held in Tel-Aviv May 13 and 14."

Ultram Technologies, Ltd.

Ultram Technologies, Ltd. is an international distribution organization operating in Israel. For additional information contact Director Yossi Yuran at: sales@ultramtech.co.il

or yossi@ultramtech.co.il. Address: Moshav Mazor, D. N Merkaz 73160 Israel.

+(972)(3)933-1696.

Modelithics, Inc.

Modelithics, Inc. (www.Modelithics.com) was formed in 2001 to address the industry-wide need for high-accuracy RF and microwave active and passive simulation models for use in Electronic Design Automation (EDA). Current products include the *CLR Library™*, which contains measurement-based *Global Models™* for a multitude of commercially-available passive components, the *NLD Library™* (non-linear diode models), the *SLC Library™* (*system level component models*) and the *NLT Library™* (non-linear transistor models). Modelithics' services also address a wide range of custom RF and microwave measurement and modeling needs. Contact sales@modelithics.com for more information.
