News Release

Modelithics, Inc. Signs RDT Equipment and Systems, Ltd. as their Representatives in Israel

Tampa, Florida —November 2, 2011

Modelithics, Inc. is pleased to announce that it has signed RDT Equipment and Systems Ltd, is their new representative in Israel. Larry Dunleavy, CEO Modelithics', and Avi Tiv, General Manager of RDT Systems, have signed a comprehensive agreement designed to support Israel's market for high accuracy RF and microwave simulation models and characterization services. Says Dunleavy, "RDT Systems came to us highly recommended, and we were very pleased with this new alliance. Their expertise with EDA solutions makes them a perfect fit for Modelithics."

RDT EQUIPMENT AND SYSTEMS LTD.

RDT Equipment and Systems (www.rctest.co.il) is an Israeli leading supplier of solutions and services for a wide range of professional industries. Founded in 1963, they have been at the forefront of the electronics industry for over 40 years, representing

Precision Measurements and Models You Trust

international leading manufacturers of test products and services. RDT Systems' specialized sales and support engineers help customers from the support of early stage design, development and verification throughout product life cycles. They strive to provide innovative products and technologies required to ensure their customers maintain a competitive advantage in their marketplace.

About Modelithics, Inc.

Modelithics, Inc. (www.Modelithics.com) was formed in 2001 to address the industry-wide need for high-accuracy RF and microwave active and passive simulation models for use in Electronic Design Automation (EDA). Current products include the *CLR Library*[™], which contains measurement-based *Global Models* for a multitude of commercially-available passive (RLC) component families, the *NLD Library*[™] (non-linear diode models), the *NLT Library*[™] (non-linear transistor models) and the *SLC Library*[™] (system level component models). Modelithics' services also address a wide range of custom RF and microwave measurement and modeling needs.

Modelithics[®] is a registered trademark of Modelithics, Inc. *CLR Library*[™], *NLD Library*[™], *SLC Library*[™] and *NLT Library*[™] are also trademarks of Modelithics, Inc.
