# Modelithics Signs Hi Tech RF & Microwave Solutions as New Sales Representative for Belgium, Netherlands and Luxembourg

Tampa, Florida (October 7, 2015) – Modelithics, Inc. announces a new partnership with Hi Tech RF & Microwave Solutions (“Hi Tech”) in Maarsse, Netherlands for Modelithics library sales and services representation. Larry Dunleavy, President and CEO of Modelithics, and Olaf Biezeman, Managing Director of Hi Tech, have signed a representation and reseller agreement for new business in Belgium, Netherlands and Luxembourg. Hi Tech will offer convenient sales and coordination of support for Modelithics’ exceptional RF and microwave simulation model libraries and measurement services in the representation area. Larry Dunleavy stated, “We are happy to announce Hi Tech as our newest representative in Europe, covering the “BeNeLux” region. Hi Tech has a good reputation for sales and support services in the RF and microwave industry, including EDA tool support.” Olaf Biezeman continued, “The addition of Modelithics to our product portfolio fits perfectly into our strategy to work with the best-in-class suppliers in the fields of RF and Microwave electronics, EDA-Tooling and equipment. Our application engineering staff has an in-depth knowledge of modeling and the agreement with Modelithics enables us to meet the demands of the market, which requires accurate models.

For information, contact Modelithics at [sales@modelithics.com](mailto:sales@modelithics.com) or Hi Tech at [information@hitechbv.nl](mailto:information@hitechbv.nl).

**About Modelithics, Inc.**

Modelithics, Inc. ([www.Modelithics.com](http://www.Modelithics.com)) was formed in 2001 to address the industry-wide need for high-accuracy RF and microwave active and passive simulation models for use in Electronic Design Automation (EDA). Modelithics' premium product is the *Modelithics® COMPLETE Library*, which includes the *CLR Library™*, containing measurement-based *Microwave Global Models™* for a multitude of commercially-available passive component families, the *NLD Library™* (non-linear diode models) the *NLT Library™* (non-linear transistor models), and the *SLC Library™* (*system level component models*). Modelithics' services also address a wide range of custom RF and microwave measurement and modeling needs. Modelithics® is a registered trademark of Modelithics, Inc. Microwave Global Models™, CLR Library™, NLD Library™, NLT Library™, and the SLC Library™ are also trademarks of Modelithics, Inc. The Modelithics Vendor Partner (MVP) Program allows for collaboration and open communication during the development of advanced data sets and models for commercially available microwave components and devices, with flexible sponsorship and distribution arrangements for the resulting data and models.

**About HiTech RF & Microwave Solutions**

HiTech ([www.hitechbv.nl](http://www.hitechbv.nl)) was formed in 1981 to provide representation services in the RF and microwave market in the Belgium/Netherlands/Luxembourg region. Hi-Tech offers Full Range RF and Microwave Solutions in three areas: Components, Design Software / Test & Measurement, and Design & Consultancy.
