FOR IMMEDIATE RELEASE

October 7, 2013

***Modelithics Signs MicroELit S.P.A as New Sales Representative
for Italy***

Tampa, Florida (September 6, 2013) – Modelithics announces a new partnership with Microelit S.P.A in Milan, Italy for Modelithics library sales and services representation. Larry Dunleavy, President and CEO of Modelithics, and Franco Cugusi, President of Microelit, have signed a representation and reseller agreement for new business in Italy. Microelit S.P.A. will offer sales and coordination of support for Modelithics' exceptional RF and microwave simulation models and measurement services in the representation area. Larry Dunleavy, President of Modelithics had this to say: *"This will be an easy transition for us and our customers in this region as the main support person, Luigi Scopelliti, from our previous reseller in this region, will be joining Microelit. Microelit also represents a number of Modelithics Vendor Partners and represents a very good fit for servicing customers interested in improving their simulation results using Modelithics models."*

For information, contact Modelithics at sales@modelithics.com or MicroELit at

About Modelithics, Inc.

Modelithics, Inc. (www.Modelithics.com) was formed in 2001 to address the industry-wide need for high-accuracy RF and microwave active and passive simulation models for use in Electronic Design Automation (EDA). Current products include the *CLR Library*[™], which contains measurement-based *Global Models*[™] for a multitude of commercially-available passive component families, the *NLD Library*[™] (non-linear diode models), the *NLT Library*[™] (non-linear transistor models), and the *SLC Library*[™] (*system level component models*). Modelithics' services also address a wide range of custom RF and microwave measurement and modeling needs. Modelithics[®] is a registered trademark of Modelithics, Inc. CLR Library[™], NLD Library[™], NLT Library[™], and the SLC Library[™] are also trademarks of Modelithics, Inc.

About MicroELit S.P.A.

Microelit S.P.A. (www.microelit.it) is a sales representative and distributor for electronic devices – radio frequency, microwave and optical products in Italy and Greece. It was founded and based in Milan Italy since 1974 and has additional offices in Rome and Greece. The company promotes products in the aviation, automotive, infrastructure, and telecommunication markets. In July of 2006, Microelit S.P.A became a subsidiary of Elexience SA.
